-

Go High Level Integration

Quick Start (5 Minutes)

1. **Create new page** in your GHL site: `/seo-audit`
2. **Add HTML embed** with this code:

```
<iframe
  src="https://p14ipy9ght.space.minimax.io"
  style="width: 100%; height: 100vh; border: none;"
  title="8 Mile Sniper SEO Audit Tool">
</iframe>
```

1. **Publish page** and start capturing leads!

Advanced Features Available

-  **Webhook Integration** for direct lead capture
-  **Custom Field Mapping** for detailed prospect data
-  **Automated Workflows** for immediate follow-up
-  **Email Sequences** for lead nurturing
-  **Analytics Tracking** for conversion optimization

Full implementation guide included in `GHL_INTEGRATION_GUIDE.md`
